

5K Walk/Run for the Wildlife

COME JOIN US!

What?

Our first annual 5K Walk/Run for the Wildlife is a 5 kilometer walk and run on the beach and a great way for animal lovers of all ages to help our local wildlife while also having fun by enjoying some spirited competition and physical fitness.

Why?

The purpose of the Walk/Run is to call attention to the needs of orphaned, sick and injured wildlife in our community.

Your tax-deductable contributions will be used to provide care and rehabilitation to our wildlife patients.

Where?

On the beach at Huntington State Beach, commencing just north of the wetlands jetty at Brookhurst. A \$15.00 parking fee is required to park in the state park, so please come prepared.

Walk/Run Information

The scenic 5 kilometer walk and run will commence just north of the wetlands jetty, just south of WWCC (at Brookhurst) on the beach and proceed north 2.5 kilometers along the surf towards the pier and returning to the wetlands jetty.

Water stations will be set up along the route for your convenience.

Who we are

The Wetlands and Wildlife Care Center (WWCC) is a non-profit organization located in Huntington Beach whose goal is two-fold: to assist sick, injured and orphaned native wildlife by ensuring each receives the highest level of rehabilitative care for release back to its natural habitat; and to promote protection of wildlife and its habitat through public education.

Our mission is to educate the public about man's impact on the environment and mitigate that impact through care and rehabilitation of native wildlife.

Set the pace to help rehabilitate our wildlife

Wetlands and Wildlife Care Center's goal for this event is to raise money to fund the free services and programs that WWCC provides, including care and rehabilitation for more than 3450 birds and animals each year.

Your contribution to this event will make a difference for our native wildlife now and in the years to come.
